Education Directorate
# ELTE

Krisztina Lenart

Head of Department

ELTE's online learning management environment

- LMS systems synchronized with Neptun - Canvas, Moodle

- MS Teams

- Panopto lecture capture system

Number of courses in e-learning systems

| Number of courses in e-learning systems	2020/21/1	2020/21/2	2021/22/1
Canvas	5411	4869	4633
Moodle	3102	2859	2731
Teams	10644	10362	9119

ELTE's Panopto lecture capture system

- All ELTE campuses have well-equipped Panopto classrooms
- With Moodle and Canvas integration
- Searchable
- It can be expanded with subtitles and quizzes

| www.elte.cloud.panopto.eu	2020/2021/I.	2020/2021/II.	2021/2022/I.
Folder/Course Folder	668	976	798
Played material (hours)	298456	369811	228434
Individual video viewing	23730	24257	15389
View and download	630519	630646	467454

The Department

- Methodology training sessions

- Individual or small group consultations

- Real-time support by email and phone (Teams)

- Acquisition and support of new ICT tools

- Website (manuals, practical screen videos, articles)

- Course development support in the form of a tender

- Non-curriculum-based, student enhancement programmes

Methodology courses

Educational methodology courses	Courses	Participants
Active learning	6	43
PowToon	10	129
Introduction to infographics	4	68
Basics of graphics and image editing	4	59
Methodology of online courses	3	39
Course design workshop	3	32
Sum	30	370

Training related to e-learning systems	Courses	Participants
Canvas beginner	19	156
Canvas is advanced	13	121
Canvas quizzes and question banks	8	98
Moodle beginner	9	70
Moodle is advanced	9	75
Teams funds	2	37
Teams is advanced	8	95
Sum	68	652

Participants on courses	2019	2020	2021
LMS courses	230	190	652
Methodology courses	158	165	370

Teachers' increasing workload

- The new challenges brought by digitalisation continue to burden educators

- 30% of applicants are lost

- The cost of organizing missed trainings is wasted money

- Finding alternative directions

- Needs assessment

Self-paced courses

- A set of organised and systematic study materials and tasks
- Individual progress rate
- A study guide will help
- Tests, quizzes created from a question bank
- Forum
- Certificate of completion

Self-paced courses of ELTE

- Planning and implementation of presentations that attract attention and encourage student activity

- The possibilities of the mirrored classroom in higher education practice

- Advanced use of Canvas LMS

- Canvas: Quizzes and question banks

- Interactive presentations with the Wooclap application

- Graphic basics: Letters and colors

- Canvas: design of an evaluation system

- Group work support online

- Creating online course content

Why the self-paced?

Participants on self-paced courses	Number of participants	Obtained certificate
Planning and implementation of presentations that attract attention and encourage student activity	169	28
The possibilities of the mirrored classroom in higher education practice	124	15
Advanced use of Canvas LMS	85	9
Canvas: Quizzes and question banks	33	9
Interactive presentations with the Wooclap application	42	4
Graphic basics: Letters and colors	31	11
Canvas: design of an evaluation system	21	3
Group work support online	16	2
Creating online course content	6	-

- Flexible
- It can be advertised for several semesters
- No training is missed / no one misses the training
- Transparent content
- An opportunity to connect

Drop-in sessions

- It is not necessary to register in advance

- Link to join

- A thorough presentation of a minor topic

- 30 minutes

- Informal knowledge sharing

- It will be recorded and available later

Newsletter

- Internal mailing list
- Direct advertising
- Methodological news
- Advertisement of trainings and tenders
- Thematic selection from our professional articles
- LMS news
- Recommendations, outlooks
